

Terms of sale.

1. Defaulters on account of previous sales will not be permitted to bid.
2. The highest bidder shall ordinarily be the purchaser, but, the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason therefor. Should any lot be disputed it shall be again put up and sold.
3. Each purchaser shall, immediately after a lot has been knocked down to him, pay as earnest money, a sum of rupees five and sign his name opposite the number and specification of the lot bought by him, in a book provided for the purpose, such payment and signature shall be held as admission on his part of having bought such lot and of having accepted the terms of sale as herein specified.
4. Immediately after the sale, each purchaser will be furnished with a memo showing the total amount due by him and with a chellan to pay immediately twenty-five per cent of such amount as a deposit into the nearest Taluk Treasury before the close of the fifth day from the date of sale; a receipt for the deposit money will be granted by the Treasury Officer and must be presented to the Forest Officer before the close of the 8th day from the date of sale. Should any purchaser fail to comply with this rule, the Forest Officer shall be at liberty to resell all or any portion of the timber purchased by such defaulter, who shall be required to make good any loss, but shall not participate in any profit accruing from such resale. The amount due by such defaulter shall be recovered from him as a revenue demand.
- NOTE.—For the convenience of the purchasers, the quarter deposit or the whole of the sale amount will be received and acknowledged by the officer conducting the sale, if tendered on the spot at the time of sale.
5. The whole quantity purchased by each purchaser must be paid for within thirty days from the date of sale, failing which, the earnest and deposit moneys already paid in shall be forfeited to Government and the timber not paid for shall be resold. Moneys due may be paid into the Treasury of the taluk in which the depot is situated, but into no other except in cases where the purchasers are permitted to pay into any other Government Treasury in accordance with the chellans issued to him.
6. No timber shall be delivered to any purchaser until it has been paid for in full.
7. No timber can be removed from the depot till a permit to remove timber signed by the Forest Officer in charge of the depot shall have been obtained.
8. Timber paid for may be removed at any time within thirty days from the date of sale or within such further period not exceeding ninety days from the date of sale as may be fixed by the Forest Officer as the circumstances of each case may require, without payment of rent; but if left in the depot longer than ninety days from date of sale, such timber will remain at the risk of the purchaser, and further shall be charged with depot rent at Rs. 6-4-0 per cent per annum, on the sale amount from the date of sale. If the timber be not removed within six months from the date of sale, the same shall, after ten days' notice to the purchaser, be sold by public auction for the recovery of rent and cost, etc.
9. Timber logs should be duly measured by the purchaser prior to removal from the depot; complaints regarding short measurements will not be entertained after the removal.
10. Interest at Rs. 6½ per cent per annum is leviable from the date of sale on payments overdue.

M. A. VARADACHAR,
District Forest Officer.

ENGINEERING DEPARTMENT.

WATER-SUPPLY DIVISION.

Dated 18th March 1919.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Water-Supply Division, up to the 21st April 1919, for 100 tons of Sulphate of Alumina of good quality of English, American or Japanese Manufacture, required for filtration of water. The quantity is not guaranteed. The supply should be completed by the end of July 1919.

2. Each tender must be accompanied by a deposit of rupees one thousand in cash or Government currency notes, as earnest money, and be superscribed "Tender for the supply of Sulphate of Alumina" in default of which, tenders will be rejected.

3. The final acceptance of any tender will rest with the Chief Engineer of Mysore, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

4. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled, and his earnest money will be forfeited.
5. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.
6. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
7. The tender should be accompanied by any analysis certificate in support of the quality of the Alumina offered in absence of which the tender will not be considered.

Notification dated 3rd April 1919.

Notice is hereby given that sealed tenders will be received by the undersigned up to 12 noon of the 21st April 1919, for the supply of about 1,500 gallons of Crude oil or Liquid fuel with or without tins required for the use of Nanjangud Pumping Station during the official year from 1st July 1919 to 30th June 1920. This quantity is not guaranteed.

2. Tenders should be submitted in printed forms which may be obtained from the undersigned's office.
3. Each tender must be accompanied by a deposit of Rs. 50 as earnest money, and be superscribed "Tenders for the supply of Crude oil for Nanjangud Pumping Station" in default of which, tenders will be rejected.
4. The final acceptance of any tender will rest with the Executive Engineer, Water Supply Division, who does not bind himself to accept the lowest or any tender or assign any reason whatever for the rejection of any tender.
5. The rate tendered should include the cost of delivery at Nanjangud Pumping Station and not ex-godown.
6. Three hundred and seventy-five tins should be supplied within 14 days after the orders are placed with the successful tenderer and 125 tins monthly thereafter until balance of the order is completed.
7. The name of the successful competitor, whose tender has been accepted will be posted on the notice board of the undersigned's office in the usual course and no enquiries regarding the acceptance or rejection of any tender will receive attention.
8. The successful competitor will be required to execute an agreement bond as per rules.
9. Samples of the oil that each tenderer wishes to supply should accompany the tender.

S. SRINIVASA AIYAR,
Executive Engineer.
